

*Upper Valley Christian School
111 Ski Hill Drive
Leavenworth, WA 98826
(509)548-5292*

5th & 6th Grade

Lined paper
Pencils
Eraser
Pens
1 - 3 ring binder
Protractor
Compass – METAL no plastic compasses
Graph paper
1 pkg of 8 subject dividers

Not required but I would recommend a pencil pouch for your student's binder to hold their pencils, pens, protractor, and compass. Students "lose" their pencils on an hourly basis so training them to store their pencils away in their own pouch should help alleviate that problem and save you some money in the long run.

This list is not all inclusive. As we continue to do projects (especially in science) throughout the school year additional list will be sent home. This list however will make sure your child has all the basics necessary to make it each day.
