## Financial Aid

In order for a student to receive financial aid, a parent must first complete a financial aid packet and submit it to the Finance Committee. The Finance Committee will distribute aid based on the following criteria:

- Completed financial aid packet
- Letters of reference
- School involvement of the parents
- Commitment of the student
- Community involvement
- Church involvement
- Monies available for financial aid
- Students grade average

After receiving the packet, the Finance Committee will review all of the information and then send a determination letter to inform the applicant of any aid that might be received. This letter will state the terms of the award and a signed copy must be returned. A student's account must be kept current to be eligible to receive financial aid. A student must also keep a "C" average and not be failing any classes at the end of each grading period. A delinquent account or a drop below the acceptable grade level will be reviewed by the Finance Committee and may result in the forfeiture of any financial aid that has been awarded.

Financial aid availability varies from year to year dependent upon the amount of monies contributed by donors and the number of applicants for aid. Any financial aid awarded to a student is in a form of a onetime payment from the financial aid account to that student's account allocated in equal amounts over 10 months. If for any reason a student leaves school before the end of the year or the student's account becomes delinquent in their share of the tuition, the remaining amount of financial aid monies in that student's account is forfeited and transferred back into the financial aid account and maybe reallocated by the finance committee as they see fit.

## **VOLUNTEER SUPPORT**

Upper Valley Christian School understands the demands of work and family. We also know the importance of community. To maintain and model healthy interactions between parents, students and staff, Upper Valley is requiring a minimum of 15 hours of volunteer service per semester. The hours do not all need to be met in-person at the school facilities. We will have a variety of ways to help support the UVCS community. The volunteer hours also don't need to be completed by just parents. At the beginning of every new school year, we will send out more information with a list of ways to volunteer and whom you think will help your family in meeting this requirement. We are all better when we work together!

With what volunteer activities would you be willing to help?

Dear \_\_\_\_\_,

Based on the financial aid criteria outlined in the financial aid packet, the Finance Committee of the Upper Valley Christian School board is pleased to award you \$\_\_\_\_\_ towards your student's tuition for the \_\_\_\_\_ school year. This financial aid is in the form of a onetime payment from the financial aid account to your student's account allocated in equal amounts over 10 months or prorated if student starts after the school year begins. If for any reason your student leaves school before the end of the year or your student's account becomes delinquent in their share of the tuition, the remaining amount of financial aid monies in that student's account will be forfeited and transferred back into the financial aid account and may be reallocated by the finance committee as they see fit.

In addition to maintaining a current status for tuition, your student must also keep a "C" average overall and may not be failing any classes at the end of each grading period. Failure to meet this standard may also result in the forfeiture of financial aid.

Upper Valley Christian School is committed to providing a superior education in a Christian environment and we look forward to assisting you in your desire for a Christian education for your student.

Sincerely,

\_\_\_\_\_  
JoAnne Prusa, Finance Committee

I have read and agree to the terms of the financial aid award.
