

*Upper Valley Christian School  
111 Ski Hill Drive  
Leavenworth, WA 98826  
(509)548-5292*

## **5<sup>th</sup> & 6th Grade**

Lined paper  
Pencils  
Eraser  
Pens  
(2) - 3 ring binder  
Protractor  
Compass – METAL no plastic compasses  
Graph paper  
1 pkg of 8 subject dividers  
Hand Sanitizer (2 bottles)  
Kleenex (3 Large Boxes)

Not required, but I would recommend a pencil pouch for your student's binder to hold their pencils, pens, protractor, and compass. Students "lose" their pencils on an hourly basis so training them to store their pencils away in their own pouch should help alleviate that problem and save you some money in the long run.

This list is not all inclusive. As we continue to do projects (especially in science) throughout the school year additional lists will be sent home. This list however will make sure your child has all the basics necessary to make it each day.
